LIFELOCK

Over 10 million Americans will be victims of identity theft this year. LifeLock is the leader in proactive identity theft protection, protecting over 1 million members nationwide. LifeLock is a proactive service that works to reduce the risk of identity theft and backs it up with a \$ 1 million total service guarantee, in the event your identity is compromised.

LifeLock requests free fraud alerts with the major credit bureaus on your behalf and then renews them every 90 days. LifeLock also requests a copy of your free annual credit report, which will be sent directly to you. LifeLock also helps reduce junk mail and removes you from the pre-approved credit offer lists.

LifeLock's WalletLock™ service is also included with your membership. If you lose your wallet, a WalletLock specialist will help contact each credit card, bank or document issuing company, cancel your affected accounts and complete the paperwork and steps necessary to replace your lost documents (excluding money and pictures), including your credit/debit cards, driver's license, Social Security card, insurance cards, checkbook – even travelers checks - at no additional cost to you. LifeLock's eRecon™ service also works to protect you by searching criminal websites for online selling and trading of your information and notifying you if anything is found; and TrueAddress™ will notify you when a change of address is filed in your name.
